

TOBY the T-REX Dinosaur Show

Did you know that waterlily plants date back to the cretaceous period, when dinosaurs roamed the earth. This fact inspired the Blue Lotus Water Garden to team up with the Real Dinosaur Company to host a series of lively and interactive dinosaur shows on two weekends in April.

Join Toby the T-Rex and his best friend as they explore all things prehistoric at the gardens. The show runs approximately 30 minutes followed by another 30 minutes for photos with Toby. Suitable for the whole family and children aged 3 and above.

NOTE: The Dinosaur Show will be conducted under cover in the event of wet weather.
